## **INFORMATION ABOUT OUR MORTGAGE SERVICES**

---

### **Whose products do we offer?**

We offer a comprehensive range of mortgage products from across the market. We offer both first and second charge mortgages, but not deals that you can only obtain by going direct to a lender.

For those seeking to increase their existing borrowing, alternative finance options may be available and more appropriate for your needs. For example, a further advance from your existing lender or an unsecured loan (e.g. a personal loan). For those seeking a Retirement Interest-Only Mortgage, a lifetime Mortgage may be available and more appropriate for your needs.

### **How much will you have to pay for our mortgage services?**

We will not charge you a fee for our mortgage services. If you choose to proceed with our recommendation and the mortgage goes ahead, we will be paid commission from the lender for arranging the mortgage on your behalf.

The amount of commission we receive varies from lender to lender. Information about the range of commissions available to us from the mortgage products we recommend is available on request.

You will receive a personalised illustration when considering a particular mortgage. This will highlight the key facts about the mortgage product, including any fees relating to it and the amount of any commission due to us from the mortgage lender.

We will tell you how much commission we expect to receive before we transact business for you. You will receive a quotation, which will tell you about any other fees relating to any particular insurance policy we arrange for you.

### Credit Broking

We are also Credit Brokers. With your permission, the other firm may carry out research on our behalf or alternatively advise you directly. The total cost of this service, including our fees for any preparatory work the other firm relies on, will be no higher than our standard tariff of fees and charges stated above.
